An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it **MUST** be submitted no later than the payment of the issue fee.

Authorization for this examiner's amendment was given in a telephone interview with Denton L. Anderson on February 7, 2005.

In claim 15, line 17, "which is" has been replaced by
-- , said distance x being --.

The above revision was made in order to correct a minor informality, as explained in the previous Office action mailed on November 17, 2004. An extraneous reference numeral "764" appears in Figure 36 of the replacement drawings; however, correction is not deemed by the examiner to be necessary.
